Planning

FOREWARD

The format of this Addenda to the Calendar of Collective Agreement Expirations is very similar to that of the Calendar produced in February 1985.

It is composed of two main sections. The first section presents summary information for the 1985 collective agreement expirations in written, tabular and graphic form.

The second section is a listing of expirations that have become known since the Calendar was published. These additional expirations are listed by month showing employer name, location, union and local, industry, expiry date and size of bargaining unit.

In addition, a short section on abbreviations is included to better facilitate the use of this calendar.

NOTES RELATING TO TERMS AND ABBREVIATIONS

Abbreviations of Industry Sectors

FINANCE	-	Finance, Insurance and Real Estate
MINING	-	Mining, Quarries and Oil Wells
SERVICE	-	Community, Business and Personal Services
TRANSPORTATION	-	Transportation, Communication and Other Utilities

SECTION 1:

SUMMARY INFORMATION

1985 COLLECTIVE AGREEMENT EXPIRATIONS

SUMMARY

This Addenda to the Calendar of Expiring Collective Agreements lists collective bargaining agreements that will expire in 1985, and which were not previously mentioned in the main report released in February 1985.

Based upon the present information, there are 400 collective agreements expiring in 1985 in Manitoba which fall under the provisions of The Labour Relations Act. A total of 41,167 employees are affected. Of this total, 36,554 employees are covered by collective agreements which are not considered confidential. The 90 agreements which are considered confidential under Section 65(2) of The Labour Relations Act represent a total of 4,613 employees.

The month showing the greatest number of expirations is April with 93. December shows the second largest number of expirations with 61.

The greatest number of expirations fall into the service industry (165) with manufacturing next at 137 and construction third with 37 expirations.

Three hundred and twenty-eight of those agreements expiring in 1985 affect 100 persons or less. This represents 82 percent of the total expirations known at this time.

It is significant to note that, although they are not recorded in either the Calendar or Addenda, an additional 57 collective bargaining situations exist which fall under the provisions of The Public Schools Act.
